

DPS Anantnag is an institution of good academics along-with diversified extra-curriculum for overall growth of individual child.

It has good qualified/learned supporting/caring teachers. This helps in good nurturing of children, ~~building~~ developing good knowledge skills along-with good discipline.

DPS Anantnag also provides, clean, pollution free environment which is conducive to learning.

Academics as well extra-curricular activities are focused simultaneously. Consequently academic growth & personality development are taken care of very well. Good library with good books are very helpful for children.

Extra-curriculum activities like, summer camp, debates, dry competitions, Intra-DPS competitions, yoga, karate, dance, music morning assembly (being conducted by students), outdoor & indoor games (there are good ~~facilities~~ facilities for outdoor & indoor games) helps in physical & mental growth of children.

All these helps in overall growth of children.

Swimming pool which is under construction, also expected to be completed soon.

Overall I am satisfied with ~~the~~ the progress & overall growth of my daughter. Miss Anshita Ranjan Prasad (Class V) at DPS Anantnag with above qualitative ingredients.
