

To,
The Principal,
Delhi Public School,
Asansol.

Respected Sir,

I Debarati Sanghai mother of Master Debdeep Sanghai of class – III, would like to inform you that I am very much satisfied with the quality of teaching of our children since its inception. Not only teaching each and every bit of extracurricular activities is also excellent. I would also like to mention the supportive and co-operative nature of all the teachers and other supporting staffs are beyond our expectation compared to other schools in the vicinity.

The Triangular relation created among Student, Teachers & Parents is one of the marvelous examples of Delhi Public School for growth of the children.

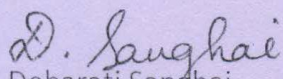

I wish that my child achieves his brightest academic lessons for his future to stand in the society and in this competitive world.

I anticipate that the remaining infrastructure & facilities committed by the management will be provided to our child at earliest possible time.

Your vast experience and dedication towards the school development is very much appreciated, I hope the school would reach to a new height under your leadership.

I wish all the best for the future of Delhi Public School and also wishes to be one of the most prominent Academic Institution of newly announced Asansol District.

Thanking you

Debarati Sanghai
